Lasagna Baking Directions

Pre-heat your oven for 20 min at 400 Degrees. Bake Lasagna for 75-85 minutes. Please take into consideration that every oven is different and the cook time may need to be adjusted accordingly to your preference. The Lasagna should reach an internal temperature of 180 degrees. Take Lasagna out of the oven and let it set-up 15 to 20 minutes. Any questions you may call Adornetto's Zanesville and ask for a Manager for assistance on baking your Lasagna (740) 453-0789.
